NAVOI STATE UNIVERSITY

ANNUAL PROGRESS REPORT

Zero Hunger

Food access and community support

2025–2026

Food support in three settings

01

Community food assistance

Food packages reached low-income and socially vulnerable households in Navbahor district.

02

Student meals

The Students’ League initiative reported three freshly prepared meals per day.

03

Campus community

Shared meals brought together students and staff and recognised construction workers.

Food packages for households in Navbahor

Who received support

The New Year initiative distributed food packages and gifts to low-income and socially vulnerable families in Navbahor district.

What the record shows

The activity documents food assistance to local households. The source gives no household count or follow-up outcomes.

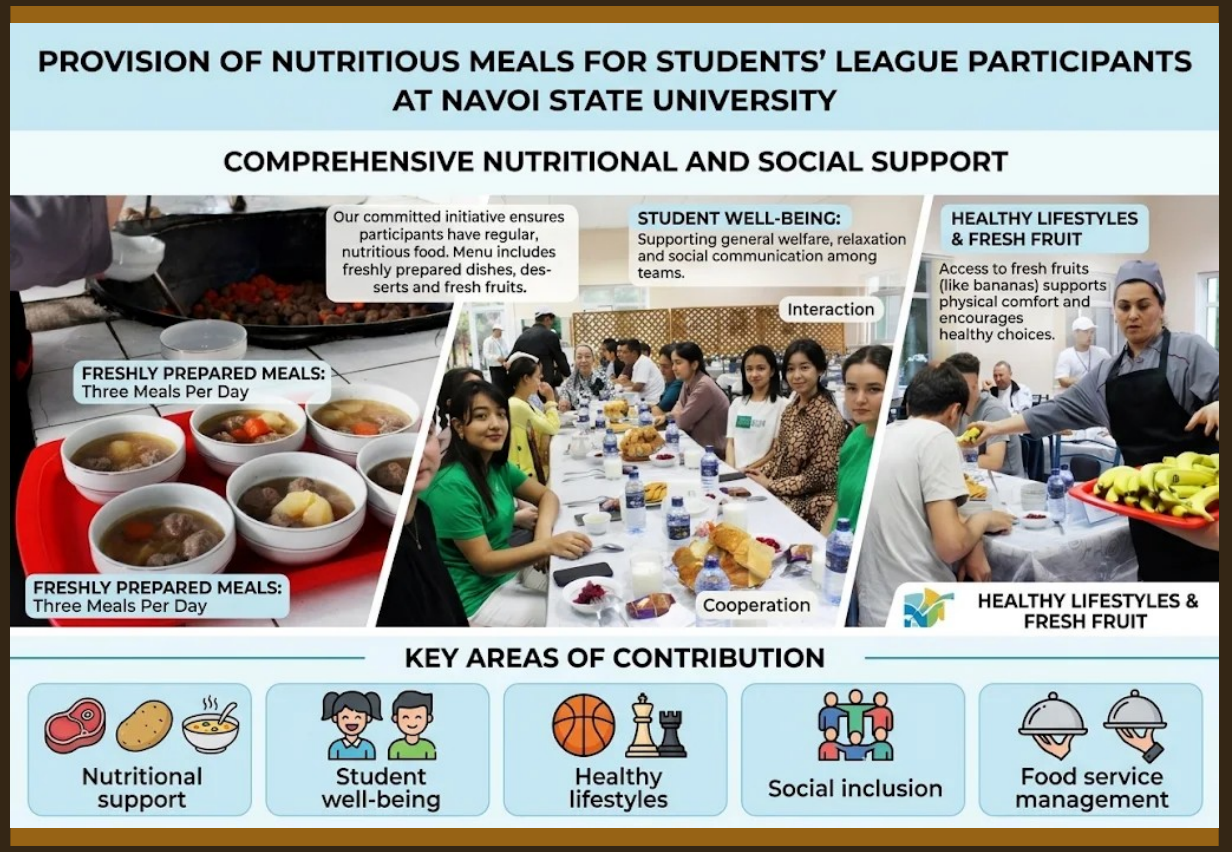

Students’ League participants received meals

3

meals per day

The programme materials report freshly prepared dishes, desserts and fresh fruit. The meals also gave participants time to rest and eat together.

Source: SDG-2-report.ppt / Original slides 5

Shared meals brought people together

A meal for construction workers

The Faculty of Languages prepared traditional Uzbek plov for workers building the new campus.

Dinner at the student residence

University leadership joined residents for dinner and heard concerns about living and study conditions during a wider dormitory visit.

What the food-access evidence covers

COMMUNITY

Household support

The Navbahor initiative documents a food distribution event.

STUDENTS

Meals during an event

The league materials describe meal provision to participants.

FOLLOW-UP

Ongoing access

Beneficiary counts and recurring food-support records would show the reach of assistance across the year.
